

## Course Joining Instructions

### **Registration & Certification:**

Please provide full name of candidate(s) in advance of the course so that registration and certification can be prepared. It is a requirement of all candidates to have a current Health & Safety certificate at the time of training. Health & Safety certification needs to be evidenced, please send prior to the course at [info@hasman.co.uk](mailto:info@hasman.co.uk). Candidates cannot be certificated for the course without H&S evidence, this is an entry requirement.

### **Address:**

Unit 2 Sandon Way, Sandon Industrial Estate, Liverpool, Merseyside, L5 9YN

### **Course Times:**

9:00 – 17:30

### **Candidates must bring:**

1. Appropriate work wear clothing
2. Suitable half mask or full-face mask R.P.E
3. Steel toe cap safety boots
4. Safety gloves

### **Food & Drink:**

We will provide tea, coffee, biscuits and a lunch. This is included with your course. Please notify us of any dietary requirements **before** you attend the course. There is also a Subway and a local fish & chip shop nearby if candidates wish to take their own lunch off site.

### **Parking:**

Hasman have space to accommodate approximately 8 vehicles outside the training centre, parking is free on the industrial estate, please arrive early to secure a parking space. Vehicles parked outside the Hasman centre may need to be moved throughout the day to allow other vehicles to come and go.
